Accompanist Fees for Lessons and Rehearsals

By signing this form, I authorize DePauw University to charge my student account the following fee as indicated. I understand that the amount of accompanying time I select below covers the time I work with the staff accompanist this semester at lessons and rehearsals and my end-of-semester jury performance. Furthermore, I understand that this fee does not cover extra rehearsals for or participation in events such as a junior or senior recital.

Note: The time purchased below can only be used in the semester in which it is purchased and cannot be shared with another student.

Options

___ **$420.00** 11-14 hours of total accompanying time at lessons and rehearsals (usually divided as 30 minutes of rehearsal per week, 30 minutes at the student's lesson, and end of semester juries.)

___ **$360.00** 7-10 hours of total accompanying time at lessons and rehearsals (usually divided as 30 minutes of rehearsal per week, 30 minutes at the student's lesson, and end of semester juries.)

___ **$240.00** 4-6 hours of total accompanying time at lessons and rehearsals (usually divided as 30 minutes of rehearsal per week, 30 minutes at the student's lesson, and end of semester juries.)

___ **$120.00** 2-3 hours of total accompanying time at lessons and rehearsals (usually divided as 30 minutes of rehearsal per week, 30 minutes at the student's lesson, and end of semester juries.)

___ I plan to use a Student Accompanist through the Accompanying Center. I agree to meet with the student accompanist one hour per week, attending all necessary accompanying coachings with the Director of the Accompanying Center. In the event that I am unable to secure an accompanist through the Accompanying Center, I realize that it is my responsibility to notify the School of Music Office about my accompanying needs and will submit a revised Accompanist Agreement Form accordingly.

Accompanist Fees for Extra Events

By signing this form, I authorize DePauw University to charge my student account an additional fee as indicated below for my use of a staff accompanist for one of the following events during this semester.

___ **$150.00** Junior recital (includes up to 3 additional hours of rehearsal plus the recital jury and the performance itself.)

___ $**200.00** Senior recital (includes up to 4 additional hours of rehearsal plus the recital jury and the performance itself.)

I understand that I will not be assigned an accompanist until this form is submitted to the School of Music Office.

I have read and accept the entire Accompanist Policy in the online DePauw University School of Music Student Handbook.
