GREEK PRIDE

We Want You!

One of the best parts of being Greek is the lifetime membership in and commitment to your organization. While it may be easy to think back to your time at DePauw and feel removed, the opportunity to be involved is still very much present. Chances are **your chapter needs you** now more than ever!

There are a variety of ways to continue your involvement with DePauw's Greek community. Consider all of the following opportunities:

- Chapter advisor
- Advisory board member
- House corporation board member
- Assist with recruitment at your chapter
- Join a GLAC committee
- Plan an alumnae/alumni event
- Attend an event on campus
- Offer to speak about career opportunities in your field of work

If you are interested in assisting your local chapter in any way, please feel free to contact GLAC Chair, Chris Johnston '83 at CL.JOHNSTON@yahoo.com. He can put you in touch with your GLAC representative.

As alumni, we have the opportunity to serve as a mentor and guide to the young women and men in our Greek chapters. Having alumni around always benefits a chapter and provides a role model for undergraduates to be involved after graduation as well.

You are one of the Greek community's best resources!

As members of DePauw's Greek community, we know the value of such an experience. We know that being a member of a Greek organization provides not only a lifetime of friendship, but also equips students with skills they may not have acquired otherwise.

Sure, being Greek is fun, but there's so much more to it. Opportunities in the following areas are available to DePauw Greek students because of their affiliation:

- Individual leadership development
- Grant and scholarship awards
- Networking
- Philanthropy and community service
- Risk management training
- Internships and jobs
- Chapter management training
- Social and character development
- Academic recognition via awards
- Events for student and faculty interaction
- Academic support
- Improved communications skills
- Development of organizational skills

**Celebrate your experience...
take pride in the Greek
community!**
