

2024 FALL RISK MANAGEMENT, INSURANCE AND ACTUARIAL SCIENCE GUEST SPEAKER SERIES

Title: Skills, Competencies and Disciplines of a Successful Actuary

Presentation abstract:

- I. Skills the Actuary Should Master
- II. How Competencies Leverage Our Skills?
- III. Disciplines to Meet and Exceed Expectations

Mr. Moore's experience:

- Over 38 years in the actuarial profession, Albert Moore has served in various roles as an actuary. He has spent much of that time in the Life, Annuity and Disability Income spaces. He has served in both the consulting and corporate actuarial roles. For 27 years of his career, he has managed countless individuals and mentored 17 interns. He is currently an Actuary Director in Life Product Development at OneAmerica Financial where he coordinates the Whole Life Product Pricing efforts.
- Professionally, Mr. Moore has volunteered in several ways. He Chaired the Technology Section Council of the Society of Actuaries, served on the Strategic Planning Committee and Member Engagement Task Force and spent a term as contributing editor of "The Actuary" magazine.

ALBERT MOORE

- Actuary Director of Life Product Development from OneAmerica
