

2022 Wellness Program

The 2022 Wellness Program will reward you for making healthy choices. Get the motivation you need to reach personal health goals along with the education and support to make wellness a lifestyle.

We heard your feedback and we have simplified the wellness program. Please check out the program activities to the right.

Getting Started

Beginning 1/1/22, employees are eligible to log on to depauw.wellright.com or the WellRight app to start the program. Download the mobile app by searching "WellRight" in the App Store or Google Play.

How to Register

Click the 'Activate My Account' button in your registration email or visit depauw.wellright.com and follow the instructions below.

- Click Register
- Complete the registration form (using your legal name with DePauw)
- Click the link sent to your email to verify your email address
- Bookmark the URL and login to start participating
