

# 2024 FALL RISK MANAGEMENT, INSURANCE AND ACTUARIAL SCIENCE GUEST SPEAKER SERIES

## Presentation abstract:

Interested in pursuing a career in insurance? While some may think of insurance as a narrow career choice, a wide range of opportunities are available within the field in addition to actuarial science and business. These include innovation, strategic planning, nursing, fraud investigation, accident prevention, risk management, finance, human resources, underwriting, marketing and communications, education and training, customer service, sales, technology and much more. In this discussion session, Mike Maurer, from AF Group, a premier provider of innovative, specialty insurance solutions nationwide, will discuss his own unique pathways to the insurance industry and the exciting career opportunities that await graduates in the years to come.
